

OpenSpa

30 minutes
to a better you.

CLARINS

Ooh, aah... it's your time to spa.

Sit back and relax while the Clarins Aesthetician gets your skin into radiant condition with botanical-based formulas and our famous signature massage methods.

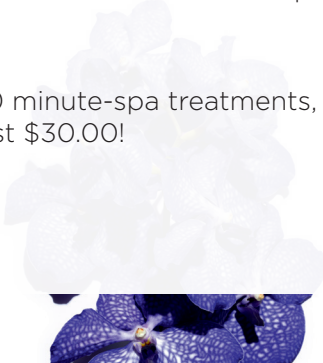

Choose from a menu of customized treatments targeted to your exact concerns: anti-aging, hydration, radiance and relaxation.

The perfect amount of “me” time, when you need it most—at a price too irresistible to pass up.

30 minute-spa treatments,
just \$30.00!

Bye-Bye Dry Skin Quench

Experience an intensely hydrating and nourishing facial that counters the drying effects of sudden temperature changes, pollutants and environmental stress. Leaves your skin radiant and revived...full of life.

Youth Express Rejuvenate

Rekindle your youth with an energizing anti-aging treatment that helps visibly minimize lines and firm facial contours. Adieu, wrinkles. Bonjour, firmness and radiance!

Ready To Glow

Boost Radiance

Discover the power of radiance-making pure plant extracts that restore luminosity, even out skin tone and will have you out the door and ready to glow in 20 minutes.

Detox & Purify

Refresh

Give your pores a breather with a treatment that helps eliminate toxins and impurities. Look forward to a radiant, balanced and perfectly refreshed complexion.

Goodbye Tension Relax

Let go with a tension-melting massage that relieves stress from face, shoulders, scalp, hands and neck. The power of touch, and the aromatic essences of Clarins' pure plant extracts, are the secrets to deep relaxation.

Eye Must Firm & Lift

See visible relief from puffiness, dark circles, wrinkles and crow's feet—with results so instantly noticeable, you won't believe your eyes!

Just for Men

Power-up

Gear up for great skin with a treatment designed to hydrate, defy wrinkles, fight signs of fatigue, and soothe shaving irritations. Grooming never felt this good.

Clarins and you.

A story of love and trust for a life of beauty and well-being. The story of a French family—experts in skincare.

Inspired by the science of nature and respectful of the planet.

Listening to you, and offering the best personalized skin solutions for every moment of your life.

Clarins. It's all about you.
